Honors panel  
Emory University

March 15, 2022

### Requirements (after admission)

- (a) Take a **graduate mathematics** course in the Fall.
- (b) Write, submit, and defend an **honors thesis**.
- (c) Register for at least 1 credit of **Math 495h** in your final semester.
- (d) Participate in the honors program in residence at Emory for **2 consecutive semesters**.

### Admission: we consider

- (1) **Grades** and **performance** in courses (especially in 300+).
- (2) **Recommendations** from your instructors. (We solicit these.)
- (3) Potential to **succeed** in a graduate course.
- (4) **Space** in schedule.
